

Bahamas Bar Journal

Volume 1 — Number 2

May-August 1990

THE BAHAMAS BAR JOURNAL

The primary objectives of the journal are:

- i. the establishment of a Bahamian jurisprudence through the analysis and discussion of Bahamian cases and statutes;
- ii. the continuing legal education of our members;
- iii. the stimulation of the legal profession towards addressing and solving social problems; and
- iv. the discussion and assessment of the role of attorneys in our community.
